God's Plan for a Joy-Filled Marriage is an interactive seminar that offers married and engaged couples a compelling vision of God's glorious plan for marriage, love, and human sexuality more than perhaps any other program available today.

When people think of Christian teaching on sex and marriage, they often think of a list of prohibitions. *God's Plan for a Joy-Filled Marriage* offers a refreshing, liberating vision of marriage and marital love – one that helps couples fully embrace God's glorious plan for their lives.

Based on Pope John Paul II's revolutionary new insights found in his *Theology of the Body*, *God's Plan for a Joy-Filled Marriage* explores the "whys" behind the "whats" in a non-threatening and convincing manner. It has helped thousands of couples come to a more profound understanding of marriage.
