

# About the Catechesis of the Good Shepherd

The Catechesis of the Good Shepherd is a Montessori-based religious formation program for children, beginning at the age of three. It creates and facilitates a sacred, "hands-on" environment for children called an atrium, in which both the children and the catechists can hear, ponder, and celebrate the most essential mysteries of the Christian faith as revealed in the Scriptures and Liturgy. Originally developed in Rome by Dr. Sofia Cavalletti and Gianna Gobbi 60 years ago, the Catechesis has since spread worldwide and is used in several denominations.

“

“If we want to help the child grow near to God, we should, with patience and courage...seek to go always closer to the vital nucleus of things. This requires study and prayer. The child himself will be our teacher if we know how to observe him.” – Sofia Cavalletti
