

Diocesan Services Appeal 2022
May Bulletin and/or Ambo Announcements

Option #1:

May is the month of Mary, and as we honor the Blessed Mother and her example for our church, let us ask for her prayers. It is our prayer that all donors who support the Diocesan Services Appeal feel valued, appreciated and acknowledged for their support of those in need within our five-county area. Thank you to all who give generously of their time, talent and treasure.

Option #2:

The funding received from DSA donations supports the Office of Hispanic Ministry. This office works in liaison with the other diocesan offices at the Pastoral Center and is in communication with the national and regional offices of Hispanic ministry, as well with other national organizations. The local office was established in 1989 by Bishop Thomas V. Daily, the first bishop of the Diocese of Palm Beach, to serve the needs of the Hispanic community in our diocese. By supporting the DSA, you in turn support the Diocese of Palm Beach's Hispanic Ministry Office! Visit <https://donate.diocesepb.org/> to make your gift today!

Option #3:

During the month of May, we want to highlight the successes of our Hispanic outreach programs in the Diocese of Palm Beach. An element of their mission is to ensure Hispanic people in our parishes have the necessary pastoral attention to live their baptismal call and the means to build a sense of unity and belonging. Visit <https://donate.diocesepb.org/> to make your gift to the DSA today and support the Hispanic outreach programs in our diocese.
